Dear Parent or Guardian:

As your child's school nurse, I want to remind you of the importance of getting your son or daughter's medication orders to the nurse.

- If your child has an Epipen, inhaler or other medication needed in school, please make sure there is an up to date (**new doctor's order every year**) on file. Even if your child carries his/her epipen/inhaler with them there must be an order in the nurse office with permission for that child to have it in school. Medication drop off to the nurse is available any time from 7:15 AM-2:00 PM.

Please have your doctor fax an order to 508-867-3496 as soon as possible.

Please call with any questions or concerns.

Thank you in advance for your assistance in this matter.
